PHASE 3 · POST-VISIT · PILLAR 8 OF 9

SWIPE

Transparency protects trust.

A confusing bill can undo a great experience.

BILLING

POST-VISIT

“

The statement is often the last interaction a patient has with you — and the one most likely to erase every bit of goodwill if it arrives as a surprise.

Billing

1. Set cost expectations before the visit whenever you can.

2. Send itemized statements written in plain language.

3. Give patients a real person to call with billing questions.
