PHASE 3 · POST-VISIT

NINE PILLARS OF
PATIENT EXPERIENCE

7 Post-Visit Communication

"The experience doesn't end when they leave."

The experience doesn't end when they leave.

Follow-up builds trust — or quietly breaks it.

“

Thoughtful follow-up turns a transaction into a relationship, and it catches small problems before they become public complaints.

Post-Visit Communication

1. Follow up after significant visits with a message that doesn't feel automated.

2. Make test results easy to find — and easy to understand.

3. Invite feedback, then actually close the loop on what you hear.
